

MEMBERSHIPS IN COMMUNITY ORGANIZATIONS POLICY

Adopted 02/13/2019

The Jefferson County Library supports, through active membership and participation, selected civic, business, and library organizations whose purposes are consistent with the Library's mission, values, and goals.

The Library benefits from such memberships through increased awareness of community issues and needs, increased opportunities to provide its constituents with information about its services and activities, participation in activities that help meet Library goals and objectives, and access to information that assists the Board of Trustees and staff in providing effective and efficient services and programs.

The Board of Trustees shall approve all proposed organizational memberships to be paid by the Library and review them annually.

The Library Director is responsible for establishing administrative procedures necessary to carry out this policy.
